## Military Aviation Museum

Hey kids,

Visit Jerrassic Park, near the museum entranceway, and match the numbers on the left to the dinosaur locations above. If you are under the age of six, you can play the Dinosaur Puzzle game and receive a free dinosaur just for playing! Over the age of six requires a one dollar participation fee to receive a dinosaur. Bring your completed sheet to the gift shop to learn the secret code for all the correct answers. In addition, everyone under the age of six gets into the Aviation Museum for free.
